

CENTRALIA ELEMENTARY SCHOOL DISTRICT

E-RATE 2010/2011 Vendor Information Sheet

Centralia Elementary School District ("District") is seeking one or more vendors to provide Telecommunications and Internet Access services. The District will consider multi-year and renewable term contracts.

Telecommunications services

The District currently uses cellular (Verizon) services. These services include 33 push to talk as well as 28 Blackberry type and 23 standard voice cellular devices. The District will consider proposals from vendors other than Verizon and will consider costs related to establishing new service such as replacing telephones/Blackberry devices and other installation/porting costs in making its decision.

Internet Access

The District currently has a 50MBps access port with Orange County Department of Education (OCDE). The District will consider proposals from providers other than OCDE and will consider costs related to establishing new service such as installation fees in making its decision. Be sure to include the circuit costs associated with your proposal including installation costs and monthly recurring costs.

The District is seeking mobile Internet access service for approximately 28 Verizon Blackberry type devices. The District will consider proposals from providers other than Verizon and will consider costs related to establishing new service such as replacing Blackberry devices and other installation/porting costs in making its decision.

The District currently has Web Hosting services from Midwest Internet Consulting Group (SchoolCenter) for the District Office and each school site (10 total sites). The District will consider proposals from providers other than SchoolCenter and will consider costs related to establishing new service such as replacing startup fees, training, monthly and annual maintenance costs in making its decision.

Response Deadline

The District expects that all responses to the e-rate request will be received by **January 20, 2010**. You may deliver the response during normal business hours to:

Jean Roberts, Centralia School District
6625 La Palma Avenue
Buena Park, CA 90620

Or E-Mail to: jean_roberts@cesd.us
